

QUINTA
DOS LOIVOS
Nascente

A wine born from the grandeur of very old vines. With an east-facing exposure, this vineyard allows the grapes to ripen in perfect balance. Its location directly influences the sensory profile of each wine.

The *Nascente* parcel receives gentle morning sunlight while avoiding the intense afternoon heat. This natural condition helps preserve the grapes' acidity, resulting in a wine that is vibrant, concentrated, and elegante, filled with fresh red fruit and a precise, harmonious aromatic profile.

On the palate, it shows power and poise, with the perfect balance between concentration, fruit, and oak. With weight at the core and notable depth, this is a remarkable expression of the world's oldest demarcated wine region, the Douro.
